Date of birth: 16/12/1996,

Ede, The Netherlands

Biography:

I am a 27 year old dancer, actor, writer and choreographer from Arnhem. My movement vocabulary is diverse, from physically challenging partner work to lyrical improvisation. I take great pleasure in questioning the boundaries of dance and like to play with different disciplines in both my own creations as well as in my performative work. I am also co-founder of Peeled Collective, you can find more information underneath.
